12. The next tab is the Essays. The students have to upload two essays- one Personal Statement and another Statement of Purpose:

PERSONAL STATEMENT(4000 Characters)*

The essay gives you the opportunity to provide a picture of yourself in your own voice: Who are you? What matters to you? What are your goals? It should highlight your personal history and background, influences on your intellectual development, the educational, professional, and cultural opportunities (or lack of them),and the ways in which these experiences have affected you and your personal growth.

STATEMENT OF PURPOSE(4000 Characters)*

Develop a compelling justification for pursuing the degree program of your choice and how this scholarship will enable you to achieve your goals. The proposal should explain how your selected course will nurture you and enable you to achieve your full potential and aspirations for your future career.

13. After uploading the essays, the students can review the application form. If there is any mistake in the application form, the students can edit the form and then submit.
